F A [swic.edu/ financial-aid](http://swic.edu/financial-aid)

To be considered for financial aid, a student must be in an eligible program. While most associate degree programs are financial aid eligible, there are a few exceptions.

The following associate degree programs are not eligible for financial aid:

- Construction Cement Mason (039A)
- Construction Sheetmetal (039B)
- Construction Bricklayer (039C)
- Construction Ironworker (039D)
- Construction Electrical Specialist (039E)
- Construction Painting & Decorating (039F)
- Construction Carpentry (039G)

In addition, not all certificates are financial aid eligible. Please check certificate eligibility at [swic.edu/ financial-aid](http://swic.edu/financial-aid).

Complete the FAFSA – for grants, loans and student employment – apply early to be considered for the best financial aid opportunities.

Apply online at studentaid.gov. Have your Federal Student Aid ID, Social Security card, driver's license, citizenship documentation, tax records and financial records available when you complete the FAFSA. You also will need your parents' information if you are a dependent student.
